ARIZONA GAME AND FISH DEPARTMENT

2015 Outdoor Expo Youth Day March 27

WORKSHOPS AND PRESENTATIONS

Wildlife on the Loose!

Impromptu wildlife encounters that will provide you with up-close viewing of numerous native Arizona species including Gila monsters, prairie dogs and desert tortoises. You may even get a visit from an eagle or bobcat. *These encounters will occur in the live wildlife arenas located under the large ramadas north of the Activity Tent.*

Informal presentations will occur throughout the day. No specific schedule is planned.

Storytelling

Students and faculty from South Mountain Community College's Storytelling Institute will tell stories about animals or related to the theme "Go Play Outside!" These stories are appropriate for all ages from young children to adult. *Storytelling is located under the large ramadas north of the Activity Tent.*

Stories will be told throughout the day. There is no set schedule. Please stop by and enjoy.

Live Wildlife Presentations

These are engaging presentations, hosted by knowledgeable Department staff or volunteers. Sit down, relax and enjoy an exciting discussion about Arizona's native wildlife. *Presentations occur in the Demonstration Tent located at the far west end of Youth Day.*

Presentations will take place every hour on the hour with the first one at 9:00 a.m. and the last at 1:00 p.m.

Firearms Safety Presentations

Presented by Shooter's World, these age-appropriate presentations will focus on firearms safety in the home and other environments. The content is the same but each talk has been geared toward specific grade levels.
