

JUNIORS KAIBAB DEER HUNTING CLINIC

OCTOBER 15-16, 2008
6:30 PM TO 8:00 PM

Congratulations on being drawn for the 2008 Juniors deer hunt on the North Kaibab. The Arizona Game and Fish Department is conducting two Juniors Kaibab deer hunting clinics this fall to educate and inform hunters of the North Kaibab. Included in this seminar will be segments on the history, deer biology, hunting techniques, and being prepared for potential hunting and weather conditions.

The clinics will be conducted at the following locations:

- October 15, 2008 in Phoenix at the Arizona Game and Fish Department Headquarters located at 5000 W. Carefree Highway, Phoenix, AZ 85086.
- October 16, 2008 in Tucson at the International Wildlife Museum located at 4800 W. Gates Pass Road, Tucson, AZ 85745. For directions to the museum contact the Business Office at (520) 629-0100.

The seminars will start at 6:30 PM at each location. Todd Buck, the Wildlife Manager for the Kaibab, will be giving the presentation and available afterward to answer questions. We invite you to attend one of the seminars and look forward to seeing you there!!!

For more information regarding these clinics please contact the Arizona Game and Fish Department's Game Branch at (623) 236-7374.

*No pre-registration is required
