

Honorary Scout License to Eagle and Gold Award Recipients

Boy Scouts and Girls Scouts who have reached the highest level in their organization, and up to and through the calendar year of their 20th birthday, can now get a reduced fee Honorary Scout combination hunting and fishing license (Class F). Recipients of the Eagle Scout from the Boy Scouts of Scouts of America and Girl Scouts who have achieved the Gold Award are eligible for this reduced fee license.

Those wishing to obtain this license will need to complete the Honorary Scout License application and present the required documentation at any Department office will qualify for the reduced fee of \$5.

Associated with this new class of license, the Department has launched a partnership with outdoor groups. These outdoor groups can agree to offer Honorary Scout license holders extended benefits any way they choose. In most cases, it will be a free annual membership to that sponsoring organization, but this may vary from group to group. This partnership should help Scouts find an active group to help them learn about hunting, fishing and wildlife conservation.
