15. Camp Navajo in Unit 6B is open to elk hunting only to properly licensed hunters who meet the qualifications as "Authorized Participants" according to the installation hunting policies outlined on the Camp Navajo website. Applications for these hunts must be submitted to Arizona Game and Fish Department by the published deadline. Hunters must agree to the Camp Navajo hunting policies during the required registration at http://www.campnavajo.com/index.php?which_page=recreation. After registering, hunters will gain access to the hunt numbers required when submitting the application. All hunters are required to show proof of attendance to a hunter safety education course during paperwork submission for the Camp Navajo permit. Increases in Force Protection Conditions, training missions and industrial operations may result in partial or complete hunt cancellation at any time with little or no prior notification. In the event a hunt is cancelled, hunters drawn for these permits will not be reimbursed or otherwise compensated by the Arizona Game and Fish Department.
16. The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting.

20. The U.S. Forest Service has expressed concern regarding road damage during wet weather. The Department is working with the U.S. Forest Service to provide limited access via designated core roads in units 5A, 5B, 6A, 6B, 7, 8, and 9 that will remain open during periods when other roads may be closed. When weather is deemed severe, the core roads may also be closed to prevent excessive road damage, provide for public safety, and protect natural resources. Roads that have been closed are closed to all users. Hunters should respect and obey road closures and drive responsibly during wet periods. It is recommended that hunters contact the appropriate Forest Service office to determine current road status for their hunt area (see the Index: Hunting on Public Lands).
21. Over-the counter nonpermit-tags for elk are available in some hunt areas. Elk numbers in these hunt areas are very low; therefore, hunt success is expected to be very low. Make sure you obtain permission to hunt on private lands. These hunts will not affect your Bonus Points but do count towards your one-elk-per-calendar-year bag limit. More information on these hunts can be found on the Department's Web site at www.azgfd.gov/otc.
22.
