

WILDLIFE HABITAT

VOLUNTEER WORK PROJECT

BURRO CREEK ALLOTMENT WORK PROJECT JUNE 11-12, 2011

Work to be Done:

We will be removing unneeded old barbed wire fencing, repairing and reconstructing fencing around riparian areas and spring restoration work in cooperation with the USFS and the 26 Bar Ranch.

Items to Bring:

- Gloves
- Pliers, Side Cutters
- Long Sleeve Shirt
- Safety Glasses
- Hat
- Sunscreen

Be prepared for cool mornings and possible rain. Old clothes are recommended for those working with barbed wire fence. Tools will be provided.

NOTE: We are a family oriented organization; however projects are potentially dangerous working with barbed wire, power tools and vehicles. Kids under 18 need to be supervised by an adult.

Camping and Meals:

The Camp site is on the north side of Rudd Knoll 6 miles NE of the junction of Highway 273 and 261 (Crescent Lake) on the east side of Highway 261. From the west take Highway 260 east from Pinetop-Lake Side to the Highway 273 turnoff to Sunrise lake. Proceed southeast on highway 273 about 20+ miles to the Junction with Highway 261 at Crescent Lake. Head NE 6 miles on Highway 261 to Rudd Knoll on the east side of the road. From Eager-Springerville area head west on Highway 260 3+ miles to Highway 261 south. Go 15+ miles to Rudd Knoll. Look for Arizona Elk Society signs. Space will be available for vehicle, tent and RV camping. Porta-Johns and wash stations will be available in camp.
