WHAT CAN I DO AFTER THE EXPO? GET OUTSIDE!

Be a part of wildlife conservation – hunt, fish and enjoy the Arizona outdoors.

The Arizona Game and Fish Department has many programs that encourage involvement with wildlife, conservation and the Arizona outdoors. There are also many outdoor-oriented groups you can join that will help you learn about and experience the outdoors. A list of groups can be found on the resources page of the Game and Fish Web site. The Department and supporting organizations continuously offer outdoor activities for beginners to seasoned veterans that teach families about traditional outdoor American pastimes. These activities include hunting, fishing, shooting sports, wildlife viewing, educational programs, and much more. If you are looking for more information or want to know how to get started – you'll find it at www.azgfd.gov/getoutside. It's your resource to the outdoors!
