Note: Big Room Tours are not available for children under 7 years of age. All tours are led by a trained guide, no self-guided tours are available. **No items** (bags, purses, packs, bottled water, etc) are allowed into the cave while on tour; however lockers are available at the park to store these items. The cave has an average temperature of 72° Fahrenheit (22° Celsius) and 99% humidity year-round, so it will feel very warm and steamy.
