2376 Total Acres

This product is reproduced from geospatial information prepared by the U.S. Department of Agriculture, Forest Service. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. General tree locations on the map may not represent every tree identified for salvage and is only ment to represent approximate locations for individual trees or groups of trees.

Data Projection: UTM NAD83 Zone 12
